

Section 8 Project-Based Vouchers

In an effort to increase voucher utilization and create additional leasing opportunities for low and moderate income families and to leverage private resources in the community, Des Moines Municipal Housing Agency may implement a Section 8 Project-Based Voucher program.

Fifty vouchers are being projected for use in the program and the general location will be in census tracts with poverty rates at less than 20% within our jurisdiction.

Des Moines Municipal Housing Agency believes this is consistent with the goals and objectives of our Agency Plan and believes our past experience in the Moderate Rehabilitation program will assist in the implementation of an effective program.
