**Games Played: Saturday, April 4, 2009 through Saturday, May 2, 2009**  
**Registration Deadline: Friday, March 20, 2009**

Team Registration ONLY; play Saturday AND Sunday doubleheaders.

Games will be played at the "Greater Des Moines Softball Complex", Savage Softball Complex, and East or North High School fields. High School rules apply with some modification. Only players eligible for their High School team in the summer of 2009 are eligible to play (no exceptions). This league will include two levels of play; varsity and junior varsity. Teams are allowed a twenty-player roster.

This is a very good softball opportunity for your players. Rules are established to allow maximum play. Free re-entry rules on all players. Certified high school umpires are used. There has always been excellent team turnout for this league. This will not interfere with the high school season.
